2010 Wilderness Challenge Course

Montana Yellowstone Expeditions' Wilderness Challenge Course (WCC) is a full scholarship, outdoor adventure and experiential education program for motivated high school students from Southern California, Montana, and other select locations. Run by Montana Yellowstone Expeditions Foundation (MYE), each MYE program begins with the WCC adventure experience at our basecamp in Montana, and continues at home through our continuing education program, MYExplore.

MYE is a year round program and in some locations includes college preparation courses, retreats, projects, outdoor activities and other fun learning opportunities. Graduates of the WCC are also eligible to apply for our program and higher education scholarships, and for our MT-based Leadership Labs and Intern Program.

The WCC component is a 25-day combination of experiences that includes outdoor activities like backpacking, whitewater canoeing, horseback riding, rock climbing, rappelling, and ropes course elements. It also includes service learning and sustainability projects, with plenty of opportunity for participants to develop leadership skills; set and meet personal goals; and take on new challenges.

You will share your summer experience with a small group of other adventurers and MYE's experienced staff. The WCC will open new doors, possibilities, and opportunities for all participants.

So, come hike the high peaks, climb the rock faces and paddle the cold clear rivers of the Greater Yellowstone Region, visit iconic Yellowstone National Park, earn service hours, and learn to give your best to your teammates, yourself, and the world. We encourage you to take the first step towards the rest of your life and apply now!!

Included in the MYE scholarship:

All necessary equipment, specialty clothing, food, and travel to Montana for your WCC, as well as access to the MYExplore program experience as it applies to your home state.

Application Process, Instructions and Criteria

"The world needs more programs like MYE! It is an experience that every teenager should have. The expeditions were challenging and brought us together as a group. It was so fun and I have grown so much as a person. I am so thankful to the staff who took great care of us and taught us so much. Being at MYE was one of the greatest experiences of my life."
- Martin Perez, MYE 3 2005, Southgate, CA, and UC Berkeley

This section is for you to share more about yourself and provide MYE with a better understanding of why you would like to join us. Please consider this to be your first MYE challenge. It is not required that you have any previous outdoor experience and there are no right or wrong answers to any of these questions.

Please type your answers on a separate sheet and put your name and the date at the top.

- (a) Why do you want to be a student at MYE?
- (b) What is the longest time you've been away from home? Where did you go?
- (c) How do you currently deal with challenges that come up in your life?
- (d) What 5 words best describe your strengths?
- (e) Tell us about something you have done that makes you proud.
- (f) If you could change anything about yourself, your family, or your life, what would it be? Why?
- (g) Please describe a typical day in your life, including your favorite and least favorite parts of the day and why.
- (h) What do you think your MYE program will be like? Please be specific.
- (i) At different times on your program you will be hot, cold, tired, hungry, dirty, and uncomfortable, but still have a long way to hike, paddle, or work to do before you can stop. How will you deal with those situations?
- (j) What do you hope to accomplish and learn on the WCC?
- (k) Describe your goals and dreams for your future.
- (l) After you complete the WCC, how do you think the Explore program can add value to your life, and from what you know of it, which activities in that program are you most likely to participate in?
- (m) Are you planning to pursue further education after High School? If so what your the plan, and do you have any ideas about how you will make it happen?

Montana Yellowstone Expeditions & the Orfalea Foundations are proud to offer this extraordinary experience.
